

Where are you fuelling?

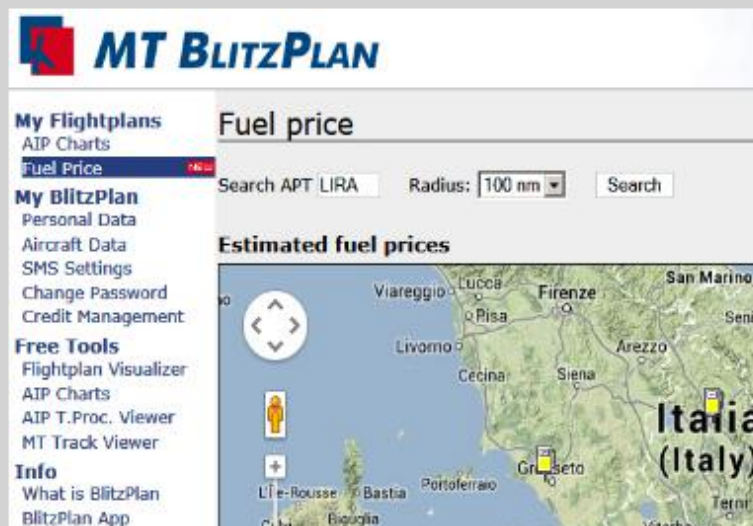

New service: fuel information Europe-wide

In the Flightplan Documentation **filling pumps** in different colours (= different price categories) are displayed enroute.

By clicking them the price in €/l is shown - you get immediate survey - see below:

You can check fuel prices also for single airports with different radiuses:

This service is available **free of charge** for all Professional Plus users. For all other BlitzPlan users it will be free until April 2014.

SOON AVAILABLE FOR THE BLITZPLAN APP!
